The Washington State Grape Society is a member run organization that strives to promote and represent the WA State Grape Industry at all levels. We work diligently to make sure our members voices are heard in regards to education, research and policy for all grape segments (Juice, wine and table grapes). The mission of the WA State Grape Society is to promote overall advancement of the grape industry in WA State.

Membership Benefits

- Access to Annual meeting Proceedings on Grape Society web page www.grapesociety.org
- Notification of Field Days sponsored by Washington State University and WSGS
- Serves as a unified voice on important issues & supports legislative activities
- Membership Awards annual I Memorial Scholarship
- Recognizes outstanding Grower of the Year with the Lloyd H. Porter Award
