The Washington State Grape Society (WSGS) is currently planning its Annual Meeting and Trade Show, and we are inviting the grape industry to contribute to the program by submitting research, education, and outreach presentations relevant to the wine and juice grape industry. This is an excellent opportunity to share your work with industry professionals and make an impact on the future of grape production.

We are seeking presentations on a variety of topics, including but not limited to:

- Vineyard Establishment
- Vineyard Management
  - Irrigation
  - Economics
- Pests, Diseases, and Disorders
  - Soil and Nutrition

**Submission Details:**

- **Deadline:** All presentation submissions must be received by June 30, 2025.
- **Review Process:** Submissions will be reviewed by the WSGS Board, and selected presenters will be notified by July 30, 2025.

**Research Submission Requirements:**

Please include the following information with your submission:

1. **Topic Title**
2. **Name of Primary Contact/Author**
3. **Primary Contact Email**
4. **Abstract (no more than two hundred words)**

*Please submit a separate application for each intended presentation.*

**Submission Instructions:**

All applications should be sent via email to Kim Brunson at [kimb@agmgt.com](mailto:kimb@agmgt.com).

We look forward to receiving your submissions and appreciate your contributions to the continued advancement of the grape industry.
